

served as the president of the Clover-Lake Wylie Republican Women, the largest Republican women's organization in the Fifth District of South Carolina.

Rozalynn held this position for 3 years, where she made great contributions to the conservative movement in York County. She was also a volunteer for the Clover Lake Wylie Preservation Park District and played an active role in collecting signatures to get their referendum on the ballot.

Prior to moving to South Carolina, Rozalynn served as a board member and president of the Ocean Springs Republican Women in Mississippi. She later joined the Jackson County Republican Party executive committee. Rozalynn was the first female Republican to run for alderman in Ocean Springs. Unfortunately, she lost to the Democratic incumbent by only 23 votes.

Rozalynn also served on the Ocean Springs Chamber of Commerce executive committee for 4 years, where she was chosen as one of the Outstanding Young Women of America in 1983.

She was president of both the Taconi Elementary Parent Teachers Organization and the Duchess Club children's charity in Mississippi.

Throughout her career, Rozalynn held her own as an international ocean sales account executive at CSX Corporation and Maersk Incorporated, which were two of the largest shipping companies in the world.

One of Clover's most hardworking and loyal constituents, Rozalynn has proven herself an asset to the community. Rozalynn's continued dedication to promoting conservative values in South Carolina and beyond is a blessing that will never go unnoticed.

She and her husband, Chip, echoed and lived the motto: To live is to serve.

RECOGNIZING HOMER'S MUSIC

The SPEAKER pro tempore. The Chair recognizes the gentleman from Nebraska (Mr. BACON) for 5 minutes.

Mr. BACON. Madam Speaker, I rise today in honor of Small Business Month to recognize Homer's Music, a small business and top tourist attraction in Nebraska's Second District.

This year, they celebrate 50 years of service to and entrepreneurship in our community. During those 50 years, Homer's Music had expanded to nearly a dozen locations in Nebraska and Iowa, but only the original Omaha location remains today.

Established in 1971, Homer's Music is one of the founding tenants in Omaha's Old Market, which is comprised of century-old, four- and five-story brick warehouses that were renovated into shops, restaurants, and bars. In fact, The Old Market is also celebrating its 50th anniversary this year as well.

Homer's Music has been recognized as Nebraska's best music retailer and was featured in national publications, including The Wall Street Journal and

The New York Times. While they are known for selling vintage records, their love for music and its history remains timeless.

It is one thing to own a business, but it is another to keep it alive for decades. Despite the ongoing pandemic that has financially impacted many local shops and businesses throughout America, Homer's Music has remained intact.

Small businesses are the backbone of our economy and society, many of which are family or minority-owned. Today, and every day, we thank all small businesses in our community and across Nebraska for their passion, entrepreneurship, and advancement to our State's economy and culture.

Madam Speaker, I close with congratulations to Tom Weidner and family and to Mike Fratt and his team for accomplishing 50 years in business, and here is to 50 more.

REMEMBERING THE LIFE OF JAMES ROBERT "BOBBY" RYON, JR.

The SPEAKER pro tempore. The Chair recognizes the gentleman from Georgia (Mr. CARTER) for 5 minutes.

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor Bobby Ryon of Hinesville, Georgia, who sadly passed away on March 20 at the age of 65.

Bobby lived a remarkable life and touched countless lives. He was a lifelong resident of Hinesville, Georgia, and was a proud graduate of Bradwell Institute's class of 1974.

Everyone who knew Bobby remembers his kind and gentle spirit. He was a former city of Hinesville council member, and served in various capacities in many organizations, including Liberty County Hospital Authority, Liberty County Chamber of Commerce, Diversity Health Clinic, and Hinesville Housing Authority.

Through every position he had, he worked to better his community and every life he touched. Many say that his greatest love was his family, and those who knew him best know his greatest love also was his Lord.

My thoughts and prayers are with his family, friends, and all who knew him, during this most difficult time.

CONGRATULATING BRUNSWICK HIGH SCHOOL STUDENT TEACHERS

Mr. CARTER of Georgia. Madam Speaker, I rise today to congratulate Brunswick High School student teachers, who recently passed the end of pathway assessments for early childhood education. These students earned the honor of being the high-scoring group that has participated in the Pint Pirates program—all of this while in the middle of a pandemic.

I commend this group of students for their hard work and dedication. The Pint Pirates program is an in-school preschool program offered at Brunswick High and taught by students from Glynn Academy and Brunswick High

School pursuing the early childhood education pathway. The mission of the class is to help young children prepare for prekindergarten and to better prepare high school students who are interested in teaching early childhood programs.

I am extremely proud to have these great students and program here in the First Congressional District of Georgia.

To teachers, students, and staff alike at Brunswick High School and Glynn Academy: Congratulations on your accomplishments, and keep up the good work.

HONORING WALTER RONALD HUGGINS

Mr. CARTER of Georgia. Madam Speaker, I rise today with a heavy heart to remember and honor Ronnie Huggins of Garden City and Rincon, Georgia, who passed away on March 21, 2020, at the age of 80.

Ronnie was born in Savannah, Georgia, and was a graduate of Savannah High School. He went on to proudly serve our country in the 118th U.S. Army Field Artillery Regiment. One of Ronnie's passions in life was helping others achieve their dreams.

He started his own construction business and quickly became a distinguished and beloved residential home builder throughout the Coastal Empire and Lowcountry of Hilton Head Island. He took great pride in, and had a talent for, helping others achieve their dream home, spending countless hours drawing and redrawing house plans by hand.

Ronnie's passion as a volunteer in youth recreation would eventually lead to an appointment as the recreation director for Garden City.

Ronnie's wife, Sheila, passed away on March 30, 2021. My thoughts and prayers are with their family, friends, and all who knew them during this most difficult time.

RECOGNIZING BRUNSWICK, GEORGIA'S 250TH ANNIVERSARY

Mr. CARTER of Georgia. Madam Speaker, I rise today to recognize the 250th anniversary of the founding of Brunswick, Georgia.

Located on the southeast coast of Georgia, Mark Carr was the first European settler to live in what is now the city of Brunswick. In 1771, the council of the Royal Province of Georgia ordered the city of Brunswick to be laid out on Carr's land. The city was platted by George McIntosh, copying the Oglethorpe Plan of Savannah.

Since its founding, the city of Brunswick has overcome fires, hurricanes, wars, and pandemics and has flourished as a coastal city.

Despite such trying times in the past year due to the pandemic, businesses have continued to emerge and the spirit of the people continues to shine.

It has been 250 years since the momentous decision to establish Brunswick as a city, and I want to recognize the great citizens and public officials of Brunswick who have made it and continue to make it a tremendous community and place to live.
